## Memorandum:

TO: Mayor Fletcher and City Council Members  
FROM: Kevin P. Watson, City Administrator *kw*  
DATE: August 8, 2018  
SUBJECT: 2018 Bow Hunting Permit Applications

### Requested Council Action

Approve individual 2018 bow hunting permits to the applicant listed below, conditioned upon adherence to all city and DNR requirements:

1. Michael Luger - hunting at 3924 Stockdale Drive

### Background

For a number of years the City has allowed bow hunting with conditions. The conditions were modified following the 2017 Deer Task Force. The applicant has submitted the required materials. Continued management through removal helps to maintain a healthier balance in our area.

Based on concerns of residents regarding destruction of landscaping by deer, and the concern for deer/vehicle crashes, staff recommends approval of the above-referenced bow hunting licenses.
