Background

2023 is the 48th year of the city's Heritage Days Festival. The dates were August 14-20. Most of the events are possible due to the contributions of time and funds from many individuals, organizations, and businesses.

Donations received for Heritage Days are formally accepted by the City Council, as required by State Law, and an appropriate thank you note is sent out. Donations will be put into the Heritage Days Donation Account 225-000-36012.

Donations go directly to Heritage Days expenses including music and entertainment, tents, tables, chairs, portable bathrooms, supplies, and event promotion. We are very fortunate to have community support for this annual city festival.
