ZONING PERMIT INFORMATION

This permit is issued for items exempt from the Minnesota State Building Code, including certain fences, accessory structures, and driveways. If you have questions whether a permit is required, please contact the Planning/Community Development Department.

Application Checklist

Applications will be processed when all of the following materials are provided:

- _____ A completed and signed Zoning Permit Application.
- _____ \$65 fee.
- _____ A site plan illustrating the location of the proposed structure on the property. (A certificate of survey is preferred, but not required). The site plan must clearly identify all property boundaries, the proposed structure and its setbacks to property boundaries, locations and sizes of all existing buildings on site, and other major physical features within the property, including any retaining walls, wetlands, or waterways, if applicable.
- _____ A complete set of construction documents, including the floor plans, elevations and details of the structure to be constructed, if applicable. A typical cut-sheet or manufacturers drawing/plan of the structure may suffice.

Property Boundaries

Property Owners and/or Contractors are required to locate and identify all property boundaries needed to verify setback compliance. By law, the City cannot locate property boundaries. If the Building Inspector, when making the final inspection, is unsure or unable to ascertain the location of the property boundaries, the applicant will be notified immediately and instructed to verify the boundary before any permit is given final approval.

Fee

\$65.00

Licenses

Contractors working in the City of Vadnais Heights must be licensed either by the State of Minnesota in their profession or must obtain a City license before performing work.

Final inspection

Call for a final inspection of the project at 651-204-6015.
