The City of Vadnais Heights
800 East County Road E
Vadnais Heights, MN 55127

Memorandum:

TO: Parks, Recreation & Trails Commission

FROM: Kaylin Clement, Assistant City Administrator

DATE: January 23, 2023

SUBJECT: Double Jack Pavilion Update

Background

At the January 3, 2023, Vadnais Heights City Council Workshop, City Administrator Watson asked for direction on an ongoing conversation regarding the pavilion at Community Park. The city budgeted \$275,000 for a new pavilion at Community Park and that amount dramatically increased based on the soil mitigation needed to safely implement a structure. Soil mitigation is necessary on this site – with whatever option is recommended, and the City Council and Mayor have asked the Commission to compare and discuss the architectural options (large or small, see attachments) vs. the “catalog” options.

Vadnais Heights has worked previously with Coverworx for playground design, which may offer some options for “catalog” pavilions. The website is available at: <https://coverworx.com/>.

Supporting documents from past pavilion discussions are available in the enclosed packet attachments.
