### Filing Requirement Information

In accordance with the provisions of Minnesota State Statutes, the City Council may from time to time change the zoning of parcels of land within the community. These changes in zoning classification are for the purpose of meeting the land use needs of the residents of the City in conformance with the City's Comprehensive Plan. The City cannot consider rezoning a parcel unless the zoning would be in conformance with the Comprehensive Plan. Chapter 38-37 of the City Code addresses the procedures for rezoning, which can be accessed online at [www.cityvadnaisheights.com](http://www.cityvadnaisheights.com). The City's current Comprehensive Plan can also be accessed online.

An application for rezoning a parcel of land is reviewed and recommended on by the City's Planning Commission and then approved or denied by the City Council. The Planning Commission meets on the fourth Tuesday of each month, and the City Council meets on the first and third Tuesday of each month.

Rezoning requires a public hearing before the Planning Commission, with notices published and mailed to property owners within 350 feet of the subject property at least ten days prior to the hearing. Therefore, in order to have necessary reviews and reports completed for the Planning Commission, the public, and the applicant, materials must be submitted according to the *Land Use Application Submission and Meeting Schedule*, usually about five weeks prior to the Planning Commission meeting.

The applicant will be notified within 15 days of the City receiving the application if it is incomplete and what information is missing. Once an application is considered complete, the City has sixty (60) calendar days to complete its review and either approve or deny the application. In compliance with applicable state statutes, the City may extend the application review period for another sixty (60) days with written notice to the applicant.

**NOTE:** The Development Review Committee (DRC) meets weekly and strongly encourages persons who are or will be seeking application approval from the City to schedule a meeting(s) to review site plan concepts and requirements. Meeting with the DRC is intended to assist the applicant with the application process. The DRC consists of the City Planner, City Engineer, City Administrator, Building Official, and the Fire Chief. Meetings with the DRC can be scheduled through Nolan Wall, Planning/Community Development Director, by e-mail at [nolan.wall@cityvadnaisheights.com](mailto:nolan.wall@cityvadnaisheights.com) or by phone at (651) 204-6027.
